

Vocabulary Whole School Progression

Vocabulary to be taught throughout each unit of work in Art lessons.

Please refer to the previous section prior to teaching new vocabulary to ensure that you continue to remind pupils of previous learning.

Suggested artists for each age range are colour coded to represent the strand of Art they specialise in. These are only suggestions and can be repeated or taken from a different year group where appropriate.

e.g. both Year 2 and 6 will learn about William Morris.

Please also share North East artists with your children. Suggestions are at the bottom of this document.
