English Writing Genres

Opportunities for writing are included across all curriculum areas. In English lessons, we use Talk for Writing across school. Whole class texts are specifically chosen to link across other curriculum subjects to ensure pupils are immersed in their writing. Children are encouraged to understand the concept of an 'audience' for their writing from an early age as every piece of writing is given a purpose and a focus. Real and imagined purposes are engineered by using a 'Hook' to engage the writing. Emergent writing is encouraged from the Foundation Stage. Phonic spelling is taught through the Read Write Inc Programme.
