Geography Vocabulary Progression

Key Stage 1									
Place Names	Location	ial Terms	Geographical Terms and Processes						
Earth Europe	Year 1	Year 2	Year I	Year 2					
United Kingdom			Weather/Climate	,,, ,, , ,, , , , , , , , , , , , , ,					
Onticea Kingaoni	Regions	Regions	season	Weather / Climate Seasonal					
Countries	polar	Antarctic Circle Arctic	autumn	Daily					
England		Circle	spring	season					
Northern Ireland	Directional Vocab	The Equator	summer	adapt					
Scotland	north	Hemisphere	winter	habitat					
1	northern	North Pole	month	flood					
Wales	south	South Pole	freezing	crop					
Ireland	east		cloud	hibernate					
English Channel	west	Directional Vocab	frosty	Dhariant Fratance					
Irish Sea	local	North	misty	Physical Features desert					
North Atlantic Ocean	across	South	rain	mountain					
	inside	East	snow	field					
Cities	outside	West	sunshine	ocean					
Belfast		southern	thunderstorm	iceberg					
Cardiff	Prepositions and	western	wind	river					
Edinburgh	direction-finding terms	eastern	windy	landscape					
London	such as, above, around,	Northern	temperature	cliff					
	below, left, right,	Northerit	warm	Human Features					
River Thames			seasonal	Market					
	forward, near, inside,			Metro					
School Specific:	opposite, outside		daily	Ferry					
Tyne and Wear			Human Features	Road					
Newcastle			capital city	building					
North shields			city	landmark					
			town						
New York New York Primary School			village	Mapping Skills					
Tyne			street	atlas					
			building	globe					
Continents			castle	key aerial photograph					
Antarctica, Africa, Asia, Europe, North America,			shop	symbol					
Oceania and South America			route	sketch map					
			office	'					
Oceans			Physical Features						
Arctic, Atlantic, Indian, Pacific and Southern			countryside						
_			ground						
			island						
			Mapping skills						
			Atlas, Globe, map, symbol,						
			key, bigger, smaller						
			The months of the year						

Geography Vocabulary Progression
