

KSI Acceptable Use Agreement

At New York Primary School, we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer and on the internet - whether at home or at school - is very important too. These rules will help to keep you safe. Your teacher will explain them to you and you can discuss them in class. Once you have understood them, you can put your name at the bottom of the sheet and we will give you a copy to take home.
