

## Maths

We are beginning to look at multiplying numbers. Use the White Rose Maths sheets and Powerpoints to help you. You probably don't have Base Ten (diennes) at home but can use drawings and counters / sweets / small objects to help.

Remember to login to Doodle Maths (every day if possible) and also use your Doodle Tables.

Hit the Button is a great website to use to practise your times tables and you can challenge someone in your house to a game!

Try the Maths Activity Mat to keep your maths knowledge up to date!

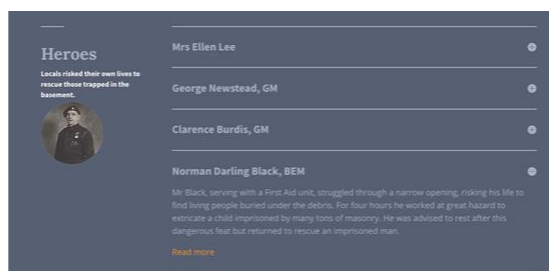

We will send another Maths Meeting for you to have a go at - you just need to watch the video and complete the activities in your learning books.

## History

### WW2 - Local History

Use the following link <https://northshields173.org/> or type in to google 'Wilkinsons Lemonade Factory North Shields' and find out about what happened in our local area during World War 2.

Choose one of the 'Heroes' from the website

Write a diary extract of what happened on the day of the air raid from their point of view. What do you think it would have felt like to have been there? What would you have seen? Try and include as much description as you can to make it a really detailed account, as well as using factual information from the website to make your diary entry more realistic.

## English

Pobble 365 - The Author. Lots of lovely writing for you to try based on this weeks image.

Reading Plus - We are keeping a close eye on your usage so remember to log in and check for any messages!

Purple Mash - Try 'Box the word' set as a 2Do - Converting nouns or adjectives into verbs using suffixes.

Spellings - Five spellings to practice, practice, practice...

Our New Class text!! **Letters from the Lighthouse** by Emma Carroll. Complete the prediction activity, we will start reading the book to you very soon...

## Science

As part of our STEM and careers work, Michael - an engineer from Freudenberg - has sent a video. Watch the video and send your favourite question to use. Your question may be chosen when Michael sends us our next message!

In Science, we are learning about Forces. Look through the PDF Powerpoint - see if you can create a concept map about forces, find the meaning of key words and draw some

## Year 5 Home Learning World War 2

### SPRING TERM Week 3

Remember: Logon to Doodle Maths, Reading Plus, Accelerated Reader and Purple Mash

## PSHE

In PSHE this week, we are thinking about the importance of mental health. This is such an important topic - especially in the current climate.

We are thinking about things that can have a negative impact on your mental health, in particular focussing on Cyber Bullying.

Create an information leaflet or poster - using your home learning books or a computer - to raise awareness about Cyber Bullying.

diagrams to show gravity.

Art

### Propaganda Posters

What is Propaganda?

*Definition: the deliberate spreading of information to influence the thinking of a nation.*

Have a look at some propaganda posters here <https://www.iwm.org.uk/learning/resources/second-world-war-posters> then read through the PPT.

Task: Now design your own poster using one of the slogans and then think about making some slogans for life today

French

In French, we are learning about food and drink.

Use the sheet to see if you can write the names of the drinks you do like, and don't like, in French. Use the video that we emailed you to practise saying the names of the drinks.

PE

Have a look at the document 'My Active Mile @ Home' and see what you can do!?  
We want you to try and stay active during lockdown so you could go for your daily walk, do some laps around the garden, walk up and down some stairs or jog on the spot - you decide how to get active!

Top tip - if you manage to do 15-20 minutes of walking or jogging, you will have done around a mile!

Challenge those in your household to join you.
