Reading

Please try to share a book every day.

Make a prediction – Look at the front cover. What do you think this book will be about? What do you think will happen next?

Part way through the story stop reading and ask your child to tell you what they think might happen next or draw you a picture of what they think will happen

Clarify – Are there any words that you haven't heard before? What do you think they mean? Can we think of another word that means the same thing? Should we find a picture of one?

Questioning – Why did they say that? What might they be feeling? How do you know?

Summarise – What has just happened on this page/in this story? What has happened so far? Retell the story in your own words or draw your favourite of the story.

Make your Mark

Everyday use your name card and whiteboard to practice writing your name - starting with your first name - making sure that you start each letter in the right place.

Why not use your whiteboard to practice writing the sounds we have learnt so far saying the Read Write Inc letter formation sayings (see attached)

Use the sound cards in your word wallet to make the words included.
