

## Week 2 Home Learning Tasks

Maths

Go to Whiterose maths and follow the videos for each day, then complete the worksheets.  
<https://whiterosemaths.com/homelearning/year-6/>

Spring week 2

**Monday** - multiplying decimals by integers

**Tuesday** - divide decimals by integers

**Wednesday** - division to solve problems

**Thursday** - decimals as fractions

**Friday** - fractions to decimals

practice your 8 times tables at the start of every maths lesson you do.  
 See if you can time yourself and get faster at saying them every day.

**8 times table**

- 1 x 8 = 8
- 2 x 8 = 16
- 3 x 8 = 24
- 4 x 8 = 32
- 5 x 8 = 40
- 6 x 8 = 48
- 7 x 8 = 56
- 8 x 8 = 64
- 9 x 8 = 72
- 10 x 8 = 80
- 11 x 8 = 88
- 12 x 8 = 96

TimesTables.co.uk

Science

<https://classroom.thenational.academy/lessons/what-is-light-and-where-does-it-come-from-6rv3je>  
 follow this and there is a lesson on What is light?

Using a torch or a light source in your house can you photograph some shadows you can make?

Write why are those shadows formed?  
 How does light travel?

English

**Monday** - watch the video on Charles Dickens and make notes on the mind map about his life

**Tuesday** - Read Charles Dickens comprehension, answer the questions and add any extra information to your mind map

**Wednesday** - fill in the boxing up planning sheet using your mind map notes to organise your facts to help you write a biography

**Thursday** - use the planning sheet to write a biography about Charles Dickens  
 Think about the one you wrote about Howard Carter.

**Friday** - complete the grammar activity and the reading viper.

Sir link a lot group bicycle bernard Shaw:

- Excellent**
- exercise**
- initial**
- innocent**
- intelligence**

PSHE

read the powerpoint about New Years celebrations.  
 Complete the sheet about New year Resolutions

French

French numbers 20-50  
 Identifying the vocabulary for the rooms in the house and label the house using the word bank.
