

REMOTE LEARNING 2020/21 - Year Two - Week 1 - WB:

06.01.21

The timetable below is provided to ensure that your child can continue to access learning whilst absent from school. Your child's teacher will provide the learning to be completed in the allocated slots on the timetable. If your child is unwell there is no expectation that they complete the activities on this timetable but would do what they can when you feel they are enough. These continue to be unprecedented times and we must work together to ensure that children's learning continues to progress. As during lockdown, teachers will remain in touch and will respond to any queries you may have. This timetable and accompanied learning is not meant to burden you at home but to provide clarity of what your child is expected to do when unable to access school. Thank you for your support, keep following us on Twitter and together we will continue to make this work.

www.kiddle.co

Use kiddle to research our new topic. Write down any facts that you find.

Reading

Please try to share a book every day.

Make a prediction - Look at the front cover. What do you think this book will be about? What do you think will happen next?

Part way through the story stop reading and ask your child to tell you what they think might happen next or draw you a picture of what they think will happen

Clarify - Are there any words that you haven't heard before? What do you think they mean? Can we think of another word

Spellings

Everyday write out your spellings.

Can you spell each word out loud?

Can you write each word in a sentence?

Can you write a story using as many words as possible?

that means the same thing? Should we find a picture of one?

Questioning - Why did they say that? What might they be feeling? How do you know?

Summarise - What has just happened on this page/in this story? What has happened so far? Retell the story in your own words or draw your favourite part of the story.
