

Spring Term 2022- Year 1

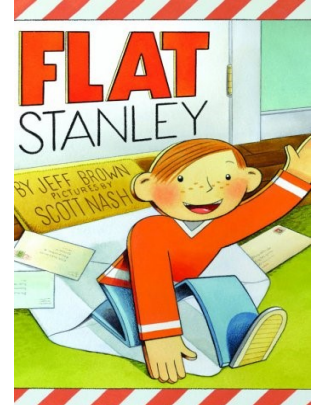

The Bears and The Owls

Flat Stanley

Did you know?

Flat Stanley has been traveling around the world for 56 years since his first story was published in 1964!

English

This term we will be looking at the adventures of Flat Stanley. As we know that Flat Stanley loves to travel, we will be writing letters inviting him to come to New York Primary School! We will also be practising our descriptive writing. As Year 1 phonics screener approaches we will be practising our Read Write Inc sounds and reading lots of nonsense monster words!

Geography

In Geography we will be comparing the features of our local environment with the many different counties that Flat Stanley has visited throughout his exciting adventures around the world.

PE

Our aim this term is to be active every single day, By using Gonoodle and SuperMovers. We will be developing our dance skills by completing a range of balances, rolls and movements.

Mathematics

This term we will be working on our addition and subtraction within 20. We will continue with our place value skills and time tables including multiples of 2,5 and 10. We will be learning how to use rulers and look at how we measure in centimetres. We will also measure capacity and volume and put this into practise by measuring and baking Flat Stanley biscuits!

Music

This half term Year 1 will be using Charanga to explore pulse and rhythm.

We will also learn a range of songs from around the world!

RE

This term will be continuing to learn about Christianity. We will learn more about the religion including the Easter story and the importance of Jesus to Christians.

PSHCE

In PSHCE we will be discussing who helps us when we are unwell and how we can feel better. We will also be discussing how to stay safe around medicine.

Science

In Science we will be identifying and sorting different types of animals. We will discuss what they eat and the features of different animal types.

Computing

In computing we will be creating a multimedia story of Flat Stanley's adventures. We will explore adding different effects such as animation, sound and further develop our typing skills.

Art/DT

In Art this half term we will be looking at different artists from around the world including Pablo Picasso and Claude Monet.

As Flat Stanley transformed into a kite during one of his adventures, we will be making our own kites!
