

Summer Term 2022- Year 1

The Bears and The Owls

Growing and Changing Summer 1

Past and Present Summer 2

English

During Summer 1 our text will be Jim and the Beanstalk. We will be writing descriptive pieces as well as instructions linked to planting a seed. During Summer 2 our text will be Dogger. We will write a diary entry and create a reward poster. We will continue to practise our Read Write Inc sounds and reading lots of alien words.

History

In history this term, we will be looking at how life has changed within the past 50 years, We will compare our life to that of our grandparents and investigate modern changes.

Geography

This term we will be focussing on comparing the coast to our local area, looking at the similarities and differences.

Mathematics

This term we will be working on our 2, 5 and 10 times tables and using our knowledge to problem solve.

We will be looking at the clock face and learning how to tell the time using o'clock and half past. We will investigate money and how we can make amounts.

We will also be looking at $\frac{1}{2}$ and $\frac{1}{4}$ fractions of an object and an amount using real life examples.

Music

This term we will be using Charanga 'Your Imagination' to explore composing songs using our own imagination.

We will also learn some sea shanties.

RE/PSHCE

This half term in R.E. we will be looking at the Buddhist religion and comparing it to the religion of Christianity.

In PSHCE we will be looking at relationships. We will be looking at how we grow and change and our family units. Our learning will also focus on the PANTS rule and how we keep ourselves safe.

Science

This term we will be looking at plants. We will begin by naming some common plants and flowers, we will label the parts of the plants and we will grow our own sunflowers. We will also take part in STEM week.

Computing

This term we will explore machines that we control and work to programme them to move.

Art/DT

As part of our growing and changing topic we will continue to sketch and draw real life plants and flowers. We will appraise work from a range of artists. During Summer 2 we will design, test, make and evaluate a car.

PE

This term we will be improving our bat and ball skills, we are hoping for some nice weather to play ball games outside including a game of rounders! To keep us active during the day we will use Go Noodle and BBC super movers.
