

KS2 Acceptable Use Agreement

At New York Primary School, we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer and on the internet - whether at home or at school - is very important too. These rules will help to keep you safe. Your teacher will explain them to you and you can discuss them in class. Once you have understood them, you can put your name at the bottom of the sheet and we will give you a copy to take home and share with your trusted adults.

To stay **SAFE online and on my devices**, I follow the Digital 5 A Day and:

Computing Equipment

I learn online - I use the school's internet, devices and logins for schoolwork, homework and other activities to learn and have fun. All school devices and systems are monitored, including when I'm using them at home.

I ask permission - At home or school, I only use the devices, apps, sites and games I am allowed to and when I am allowed to.

I am a researcher online - I use safe search tools approved by my trusted adults. I know I can't believe everything I see online, know which sites to trust, and know how to double check information I find. If I am not sure, I ask a trusted adult.

I am creative online - As well as looking at things from other people on apps, sites and games, I also get creative to learn and make things, and I remember my Digital 5 A Day.

I communicate and collaborate online - with people I already know and have met in real life or that a trusted adult knows about.

Privacy and Security

I am a secure online learner - I keep my passwords to myself and reset them if anyone finds them out. Friends don't share passwords!

I follow age rules - 13+ games and apps aren't good for me so I don't use them - they may be scary, violent or unsuitable. 18+ games are not more difficult but very unsuitable.

I am private online - I only give out private information if a trusted adult says it's okay. This might be my address, phone number, location or anything else that could identify me or my family and friends; if I turn on my location, I will remember to turn it off again.

I am careful what I share and protect my online reputation - I know anything I do can be shared and might stay online forever (even on Snapchat or if I delete it).

I know new online friends might not be who they say they are - I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are.

I check with a parent/carer before I meet an online friend the first time; I never go alone.

I don't do live videos (livestreams) on my own - and always check if it is allowed. I check with a trusted adult before I video chat with anybody for the first time.

I keep my body to myself online - I never get changed or show what's under my clothes when using a device with a camera. I remember my body is mine and no-one should tell me what to do with it; I don't send any photos or videos without checking with a trusted adult.

I say no online if I need to - I don't have to do something just because someone dares or challenges me to do it, or to keep a secret. If I get asked anything that makes me worried, upset or just confused, I should say no, stop chatting and tell a trusted adult immediately.

I tell my parents/carers what I do online - they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I'm doing.

Copyright

I respect people's work - I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons licence.

Communication and Online Relationships

- Before I share, post or reply to anything online, I will T.H.I.N.K.

T = is it true?

H = is it helpful?

I = is it inspiring?

N = is it necessary?

K = is it kind?

I am a friend online - I won't share or say anything that I know would upset another person or they wouldn't want shared. If a friend is worried or needs help, I remind them to talk to an adult, or even do it for them.

I am not a bully - I know just calling something banter doesn't make it ok as it could become bullying. I do not post, make or share unkind, hurtful or rude messages/comments and if I see it happening, I will tell my trusted adults.

I am careful what I click on - I don't click on unexpected links or popups, and only download or install things when I know it is safe or has been agreed by trusted adults. Sometimes app add-ons can cost money, so it is important I always check.

I ask for help if I am scared or worried - I will talk to a trusted adult if anything upsets me or worries me on an app, site or game - it often helps. If I get a funny feeling, I talk about it.

I behave the same way on devices as face to face in the classroom, and so do my teachers - If I get asked to do anything that I would find strange in school, I will tell a trusted adult.

I know it's not my fault if I see or someone sends me something bad - I won't get in trouble, but I mustn't share it. Instead, I will tell a trusted adult. If I make a mistake, I don't try to hide it but ask for help.

I am a rule-follower online - I know that apps, sites and games have rules on how to behave, and some have age restrictions. I follow the rules, block bullies and report bad behaviour, at home and at school.

I am part of a community - I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult and/or report it.

I have read and understood this agreement.

If I have any questions I will speak to a trusted adult; at school that includes

Outside school, my trusted adults are -----

I know I can also get in touch with ChildLine

SMART Rules

- I will learn the school's SMART rules to keep myself safe inside and outside of school.

Online Safety

Follow the SMART rules to stay safe online

S

Stay **safe** online by not sharing personal information

M

Do not **meet** anyone who you have only made friends with online

A

Do not **accept** messages or friend requests from strangers

R

Not everything online is **reliable**. Some people online are strangers and may try and trick us

T

Tell an adult you trust if anything happens online that you don't like

Child's name:	Signature:
Class:	Date:
