

EYFS Long Term Plan – 2 Year Offer

	Block One	Block Two	Block Three
Characteristics of Effective Learning	Playing and exploring: – Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning Active learning: – Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence and resilience. Creating and thinking critically: – Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.		
Overarching Principles	Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured. Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community. Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time. Learning and Development: Children develop and learn at different rates. We must be aware of children who need greater support than others.

	Me		My Family		My Friends	
Linked Texts to help children to secure and think more deeply about knowledge.	Autumn 1 • That’s not my... Fox, Squirrel, Hedgehog, Pumpkin, Witch • Hide & Seek Pig • Rabbit Naps • Foxes Socks • Halloween Book of Counting • Little Ghost • Ten Spooky Skeletons • Little Boo • Stick and stone	Autumn 2 • Head to toe • Spot the Dog series • Tiger who came to tea • Dear Zoo • Ten Little Fingers • The leaf thief • Ten in the Bed • Not a stick • Where’s Santa Claus? • Where’s Mrs Reindeer? • Where’s Mr Polar Bear? • Where’s Mr Snowman?	Spring 1 • Little Rabbit Foo Foo • Walking through the Jungle • We’re going on a Bear Hunt • A Potty For Me • Feelings Lift The Flap Book • Kindness Lift The Flap Book • Never Touch Farmyard and friends • Peppa’s chinese new year	Spring 2 • The Very Hungry Caterpillar • Fluffy Chick • Ten Little Caterpillars • Ten Little Seeds • Ten Chirpy Chicks • Where’s Mrs Bee? • Getting Dressed • Hippo Has a Hat • A little book about spring • Where’s Mrs ladybird • That’s not my.... Chick, Bunny, Lamb • So much	Summer 1 • Calm down monkey • A Friend Like You • What the Ladybird heard? • Toddler Waddle • That’s not my kangaroo • Making friends – lift the flap book	Summer 2 • What the Ladybird heard at the seaside? • What the ladybird heard on holiday? • Kipper’s beach ball • Sharing a shell • That’s not my flamingo • The watermelon seed • Dinosaur Roar • Elmer • Spot loves nursery • I’m starting nursery • Maisy goes to nursery

WOW Moments & Enrichment Opportunities inc Visits, Visitors & special experiences to secure children’s knowledge.	Walks through the school community Harvest Festival Music Sessions with Chris Elf express trip Visit from Santa Visit to the woodland area Nativity performance	Regular visits to the Woodlands. A walk to the shops to buy snack ingredients. Music Sessions with Chris. Easter performance. Trip to the farm.	Music Sessions with Chris A walk to the shops to buy snack ingredients. Summer festival STEM visitors in school
Woodland Wednesday	Regular visits to the woodlands take place every 2 weeks throughout the year. Alternating am / pm 2YO. This gives children an opportunity to observe and talk about the changes throughout the course of the year. Each group adopts a tree in the woodland area and watches how it changes throughout the season. These sessions use picture books as a main focus with additional opportunities for children to develop their own interests and fascinations. The woodlands also provide children with a chance to develop their gross motor skills and coordination and control of their bodies.

Communication and Language Listening & Attention Speaking	The development of children’s spoken language underpins all seven areas of learning and development. Children’s back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added , practitioners will build children’s language effectively. Reading frequently to children , and engaging them actively in stories , non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts , will give children the opportunity to thrive. Through conversation, story-telling and role play , where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures .		
Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, Helicopter Stories, Poetry Basket Rhymes, EYFS productions, and weekly	Make needs known by gesture, sounds and words. Watch or play alongside an adult. Process or produce one word naming vocabulary during play Engage with books as an adult reads one to one by joint attention to the illustrations. Maintain attention through a very short rhyme.	Join in by repeating words and phrases as an adult narrates play. Seek an adult to share a story. Say the last word in lines of a simple rhyme. Ask two or three word questions about play and routines. Locate features in book illustrations. Develop book preference and seek adults to read them. Name resources and build two word and three word level phrases about them.	Engage in simple dialogue when playing alongside an adult. Initiate verbal interactions Use simple words to denote the passage of time, time and space. Attempt pronouns, plurals and prepositions. Follow instructions with at least two information carrying words/phrases. Build and respond to four or five word

interventions. Daily story time			I phrases and sentences. Join in with longer phrases in familiar rhymes and songs.
Poetry / Rhymes	Welcome song Twinkle Twinkle Little Star Humpty Dumpty Baa Baa Black Sheep Hickory Dickory Dock Dingle Dangle Scarecrow 5 Little ducks The wheels on the bus Hickory Dickory Dock Wind the Bobbin up	Welcome song Im a little teapot Three little pigs 1,2,3,4,5 Once I caught a fish alive This Little Piggy Went to Market Tiny caterpillar on a leaf Old Mcdonald I had a little turtle 5 Little men Little peter rabbit	Welcome song 5 current buns Tommy Thumb Humpty Dumpty Two little dickie birds Ba Ba Black Sheep Miss Polly had a dolly Incy Wincy Spider 5 little monkeys The grand old duke of york Row row row you boat There's a dinosaur
What do we want children to know by the end of this block and what do we want children to know how to do by the end of this block?	Make needs known by gesture, sounds and words. Watch or play alongside an adult. Process or produce one word naming vocabulary during play Engage with books as an adult reads one to one by joint attention to the illustrations. Maintain attention through a very short rhyme.	Engage in simple dialogue when playing alongside an adult. Initiate verbal interactions Use simple words to denote the passage of time, time and space. Attempt pronouns, plurals and prepositions. Follow instructions with at least two information carrying words/phrases. Build and respond to four or five word and sentences. Join in with longer phrases in familiar rhymes and songs. Initiate interaction or respond to others during play, linking up with those who have similar play preferences. Actively seek adults to help with tasks around the setting. Show concern when another child is hurt or upset. Talk in very simple terms about the feelings of characters in stories Participate in domestic role play with some words and short phrases in role.	Engage in simple dialogue when playing alongside an adult. Initiate verbal interactions Use simple words to denote the passage of time, time and space. Attempt pronouns, plurals and prepositions. General Themes	Me	My Family	My Friends
Personal, Social and Emotional Development	Children’s personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives , and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world . Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others . Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating , and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life .		
	Manage staged separation from carer(s). Form secure relationships with key worker; seek him or her on entry Follow simple routines with prompts and support. Develop or demonstrate play preferences Come willingly to share a finger snack with a favourite adult. Show an interest in helping with nappy changing routines.	Greet key worker and other members of the group on arrival. Separate confidently from carer. Anticipate routines through very simple statements and questions. Show awareness of others during parallel play by watching. Help an adult with a task. Use simple eating and drinking equipment independently. Develop and articulate snack preferences. Engage in a wider repertoire of play activities. Participate in simple domestic role play, imitating routines and actions. Help with nappy changing routines.	Initiate interaction or respond to others during play, linking up with those who have similar play preferences. Actively seek adults to help with tasks around the setting. Show concern when another child is hurt or upset. Talk in very simple terms about the feelings of characters in stories Participate in domestic role play with some words and short phrases in role. Prepare a snack showing basic control giving out plates, cups and passing food. Show an early interest in toilet training, alerting adults for support and demonstrating involvement with changing routines Work in partnership with an adult to put on and take off outdoor clothing. Demonstrate curiosity when exploring the wider school site or local area from the secure base of familiar adults.

Physical development Children take part in a regular daily dash inline with the rest of the school who take part in the Daily Mile. RSE – Physical Health & Fitness	Physical activity is vital in children’s all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child’s strength, coordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, coordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye coordination, which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.		
	Build with a few blocks, knock over and rebuilds Collect and move resources in baskets, bags or boxes. Fill containers with collections of little objects and tip out. Push chunky small world toy vehicles along a chosen route. Arrange sturdy small world animals and figures. Use very simple action and reaction toys. Squeeze and prod dough Bounce and nod in response to music. Push transporter toys and move ride on toys by pushing with feet. Squat and push a large ball away	Explore very simple joints and mechanisms in everyday objects and construction kits. Squeeze, thump and flatten dough. Use small figures and vehicles with control in play, positioning and balancing. Fill and empty containers with water and sand, using cups, scoops, spoons and spades. Use hammering games with increasing accuracy. Increasingly attempt more risky play such as climbing with adult support. Tap and slap on the ground or on knees to accompany rhymes and songs. Run at speed in open spaces.	Wrestle with more challenging mechanisms such as screw lids and more complex construction kits. Sustain exploration of a wide range of intriguing objects such as feathers, shells, pieces of velvet, tissue paper etc Change the shape and texture of dough with hand actions to achieve an effect Use pressure to cut dough precisely with knives and cutters Use smaller figures and vehicles and build with blocks of various shapes and sizes. Combine malleable materials and loose parts, showing pleasure in effects created. Make marks on different scales, on different surfaces, with
